EDUQUEST'24 - PROJECTX

Get ready for **ProjectX'24**, the ultimate inter-school project competition at **EduQuest**, hosted by **Shiv Nadar University Chennai**. This exciting event challenges **high school students** to showcase their creativity and problem-solving skills by developing innovative solutions for global challenges. Winners will be rewarded with **scholarships** and other exciting prizes!

INNOVATIONS FOR A SUSTAINABLE FUTURE

The future of our planet depends on the innovations we create today. "**Innovations for a Sustainable Future**" challenges young minds to harness the power of science and technology to address pressing environmental issues. By making simple yet impactful changes in our everyday lives, we can work together to build a more sustainable world.

The theme encourages students to explore solutions in key areas like clean energy, waste management, water conservation, and eco-friendly technologies. This is your opportunity to create ideas that can make a real difference in the world, from reducing carbon footprints to enhancing resource efficiency.

Change begins with you. Let your creativity and innovation shape a sustainable future!

Theme for the Third Edition: Innovations for a Sustainable Future

FAQS

1. What should be submitted in the Registration Form?

- ▶ Project Summary – A concise overview of the project idea in this section
- ▶ A detailed project proposal following the given template.
- ▶ An optional video or photographs showcasing the prototype/project.

2. What file formats are acceptable for the submission?

- ▶ Project proposal: PDF/PPT format.
- ▶ Media files (photos/videos): MP4/PNG/JPG formats.
- ▶ Ensure the proposal file is named "Team_Name.pdf."
- ▶ For any additional links you provide, ensure that anyone with the link can view.

3. How many slides can be included in the presentation?

- ▶ The presentation can contain a maximum of 10 slides (Excluding the first 2 slides in the template).
- ▶ The proposal must adhere to the template and page limit specified.

4. What is the deadline for submission?

- ▶ The deadline to submit the project proposal and media is January 8th, 2025.

5. Will certificates be provided?

- ▶ Yes, certificates will be issued to all participants.

6. What is the team size for the competition?

- ▶ The team size is limited to 2 members.

7. Can I submit multiple projects?

- ▶ Each team is allowed to submit only one project. Multiple submissions from the same team will not be accepted.

8. What should I do if I face technical issues while submitting my project?

- ▶ In case of technical difficulties, reach out to the event organizers through the contact details provided in the brochure before the submission deadline.

9. Do I need to provide a working prototype for my project?

- ▶ A working prototype is not mandatory, but your project must be well-documented and demonstrate its functionality through the provided media.
- ▶ You can use any tools or software that are suitable for your project. Just ensure your project is functional and meets the guidelines.

10. How will the results of the competition be announced?

- ▶ The results will be announced after the evaluation of all submissions. The organizers will notify participants through email.
