ABOUT THE BOOTCAMP

As digital transformation expands across systems, software, cloud, and IoT environments, cybersecurity has become a national priority. This Five-Day National Level Bootcamp on **“Next-Generation Cybersecurity in Systems, Software, and Applications”** brings together academic and industry experts to address emerging cyber threats through expert talks, hands-on labs, real-world case studies, and a **Capture The Flag (CTF)** competition.

KEY HIGHLIGHTS

- Gain knowledge in Cybersecurity
- Interact with professors from IIT Madras, NIT Trichy, NIT Puducherry and IIITDM Kancheepuram
- Interact with Industry professionals
- Experience the Capture The Flag (CTF) event
- Win Exciting Cash Prizes
- Opportunity to secure Internships
- Networking with students, academicians and industry professionals working in cybersecurity
- Certificate for all Participants
- Only Limited seats available on a first-come, first-served basis
