

Applications are invited from eligible candidates for **Project Staff positions in Linguistics** under the **Text-to-Speech (TTS) Division** of the project "*Speech Technologies in Indian Languages*", funded by the Ministry of Electronics and Information Technology (MeitY).

Eligibility:

1. Master's degree in Linguistics
2. Advanced (C2-level) proficiency in one of the following languages: Tamil, Malayalam, Bangla, Odia

Number of positions: 4 (one position for each language)

Responsibilities will include:

1. Conducting linguistic analysis of translations generated by different multilingual Indic AI models
2. Providing feedback to support the improvement of translation quality and AI-generated language outputs
3. Preparing reports and other project-related documentation as required
4. Contributing to other activities related to the project and relevant to the role, as required

Remuneration: ₹40,000 per month

Duration: October 01, 2026 - March 31, 2027

The position will be subject to continuous performance evaluation. Continuation of the appointment through March 31, 2027 will be based on satisfactory performance.

Work Arrangement: This is an on-site position. Remote working arrangements are not available for this position.

How to Apply:

Interested and eligible candidates are requested to send their CV/resume to:

Dr. Tanima Bagchi (tanimab@snuchennai.edu.in)

General conditions:

Incomplete applications will not be processed.

1. No interim enquiries/correspondence/communication of any sort will be entertained
2. Mere fulfilling of eligibility criteria will not entitle any candidate to be called for interview
3. Only shortlisted candidates will be informed to appear for the interview
4. Candidates need to join within 7 days of intimation of selection by the committee

The last date for submission of applications is **September 25, 2026**.
